“ *I just wanted you to know that I had the pleasure of meeting Marvin when he was in the outpatient cardiac rehab program. He continued for several years in the maintenance program in the 5:00 class and we shared many wonderful stories and laughs. Even when he wasn't coming anymore he would stop in and say hi to me when he came by the Heart Center Building. My life is better by knowing this special man...##imported-begin##Lori Barron##imported-end##*

“ I just learned of Marv's passing. It was such an honor to know him but to also call him a friend. He loved his Aces basketball and Donut Bank. He could talk basketball forever and he knew what he was talking about.

I am going to miss him and he will remain in my prayers.

“ I worked with Marvin for 11 years at Kenny Kent Chevrolet. He was always so wonderful to be around and a very special person. He gave me the nickname "Gailybird" and it stuck for quite some time. I always got a laugh out of that. I'm so glad he got to live a long healthy life. There aren't many around like him, and his passing will leave an empty space for many. My condolences to all of you.##imported-begin##Gail Ferguson##imported-end##

“ Jim and Kim,

I just spoke to Carol this morning and am so sorry to hear about Marvin. It is unfortunate that it has been so many years to get in touch at this time - Marvin always told me about you both and the "grandsons" when we saw each other. I especially enjoyed your Dad and his great sense of humor. Mother also had a good time with his kidding. Even with her Alzheimer's she knew him at Aunt Vivian's funeral and they had a good time together. She will be 91 in April. I know you both will have lot's of good memories of him - that will keep him alive for you always. It may be a little late for me to send flowers but I see there are options for a memorial gift so thanks for making those arrangements.

*Deepest Sympathy,

“ Marvin was the last of an era of people from Howell who knew most of my family who were mostly railroaders..I worked with him at Kenny Kent Chevrolet for the last 10 years and will miss talking about history of the Westside and particularly Howell..It was not hard to get a laugh out of him,on his 90Th birthday i gave him (2) 1919 pennies from his Birth year and told him now he could finally put his "2 cents worth in"...Marvin lived life to the fullest, that is how i will remember him!!###imported-begin##Dan Bevers###imported-end##
