“ *To the Allison Family,
I just learned of your mother's passing. She certainly lived a long full life. Your mom and dad were a long part of my Mom and Dad's life - card club and then all the trips they went on as a group. They had so much fun - I can still hear all the laughing. They were blessed to have such a group of friends. I hope they are all up there playing clabber and laughing again. My thoughts are with you all.
