“ I worked with Molly at the State Highway office when it was on 6th street. Molly and I would walk around the park on our lunch hour and of course she had to bring the food. She was the best cook. She taught me how to cook Okra. I had never had it before. She taught me how to crochet. When I think of Molly I just think of her beautiful smile and laughter. I have a pillow she made for me on my wedding day. I think of her often and just wish I could have seen her. We talked on the phone some. She would call me from Florida and tell me about the weather and her flowers. It was always great to hear her voice. Molly was a woman with a heart of gold. She would do anything for anyone. I miss her. You were very blessed to have such a great woman in your lives. She set the example of "you can get through anything". Please know your all in my prayers.

“Peanut , Larry and Roger , we have lost a great one. I can't say enough about Molly . We had great times and wonderful memories , especially on the farm. What I remember most about your mom is whenever we got into trouble ,she fixed it and she always kept us in line or else ; Yes , she was everybody's Mom. I will never forget her home cooking, she always had something on the stove and making sure you had all you could possibly eat. She used to say," nobody leaves my house hungrey , eat up." Peanut , just wanted to let you know that your mom was my best student driving instructor ever, wouldn't you agree. This lovely lady will truly be missed by all, one of the great ones. God Bless you and your family on the passing of your mother.

Sincerely ,

“Molly was our favorite neighbor and friend in Florida. She taught us more life-long lessons than we could ever have hoped to learn from one individual. She taught us to laugh, see the bright side of events and people, and to never give up. Her zip to her hip was absolutely remarkable! We will never forget the girls' party with the crazy glasses, socializing at the Cracker Box and Doc Fords and various other hot spots, a serious trip to urgent care that she made seem humorous, and many, many laughs we shared as we sat in lawn chairs in front of the condo or on the lanai with her favorite drink. We are so sad to hear of her passing but know Molly is spreading her cheer and warmth in heaven.

“ Was sad to hear of Molly's passing. She was just a fun person to be around, always smiling, laughing and in a good mood. She was able to turn your bad mood into a good mood. So remember when your heart is empty, filling it with happy memories can help. Tom and Janice Klueh
