“ *Mary Lou was my aunt and she lived in LA most of the time I was growing up I do remember one time when I was little, my brother Mike and I spent the night at her house. She had a very gruff exterior but had a kind heart. May God bless her soul. I will be saying prayers for her and other relatives who have passed on.*

“ *What a sweet lady she was. I enjoyed hearing her stories of when she lived in California and hearing her talk about her family. Mary loved her family. She spoke so highly of everyone. She was such a wonderful person and neighbor. I got the biggest kick out of her when she would talk to her little dog JoJo. She was crazy over that little dog. He always listened to her and never left her side. You will be missed Mary my friend.*
