“ *Pat and Bill were some of the first people I met when I moved to Dallas to join the Vocal Majority Chorus in 1977. They became close friends immediately. Bill was the Show Producer for the chorus for many years (1976-1987) and I became the Chorus Manager in 1979 (through 1988). We worked together closely on many shows, coming up with the concept and building sets together. Bill was "best man" at our wedding in 1981 and Pat helped with the bridal shower. We spent many fun evenings together through the years dining at each others homes and going on trips and conventions with the chorus. They were great friends. They didn't have children and neither did we, so we spent many holidays together. I know Pat is happy to finally be together with the love of her life - Bill. They are probably singing and laughing together right now. Pat will be missed by everyone who knew her.*

“ Mary Pat and I were friends since high school. Later we were involved with the Catholic Theatre Guild and along with my wife(Carolyn Knapp) and Jerry Roedel had many good and fun times together. Spent a lot of time on the corner behind Alexander's. I could go on and on,but..... I'm sorry our Braille sweatshirt idea never came to pass, but we made up for it with our "Certs is a breath mint" performance. We were buds and I'll always remember her. Our prayers and condolences go out to her family and many friends. Vaya con Dios, mi amiga! PAX TECUM, Mary Pat! I know you're in heaven singing "O Happy Day"! Leonard "Larry" R. and Carolyn Adams
