“ When we were little girls my sister and I got to visit our grandparents' home in Mt. Vernon. Mary Jane and we were always holding hands as little ones, running through the yards and gardens giggling and playing and making up things to do. Such a sweet cousin.

“ Mary Jane was a very special friend of mine! We went through grade school at Sacred Heart and high school at Mater Dei together. Years that I will always cherish, so many memories! Years of working and raising families kept us apart for years then four years ago we were reunited. It seemed as though we never missed a day without each other but unfortunately Mary Jane was already suffering from Parkinson’s disease. She was in Parkview but we decided to go to lunch once a month which she counted the days until the next lunch. It started with four of us that were very close, Mary Jane, Linda Kissel Browning, Dianna Schwartz and myself. As others heard of this lunch they wanted to join and now we have around thirty classmates that gather. I want to thank Donna Schenk Mitchell for helping with transporting Mary Jane to the lunches, I couldn’t have done it without her. Mary Jane brought us together after 50 years and it has been a blessing. We love you, Mary Jane, may you have eternal life, happiness and peace!
