“ Libby, I have always wanted the best for you. And now with you watching over us from the heavens, I can see you playing with your grandmothers, Charlotte, and Judy. I know you have missed them. And uncles August , and Aolis Eugene. I know you always wanted to meet them. I know that you are among the angels, and want for nothing more.

I would like to hold you close, and listen to your voice one more time, I would like to see your face light up the room with that radiant smile, blessed with those large dimples.

Libby, you truly were a blessing to your mother and I , as well as the whole family.

You will always be remembered, as the one with the sense of humor. You were always trying to get everyone to laugh, smile , and be happy in life.

I will remember all the times we went arrow head hunting, camping, swimming, four wheeler riding, playing in the snow.and the list goes on.

I am so blessed to have been able to spend 19 years with you here on earth, I know you wanted me and your mom to remember all the good times. We could never forget! You will always be our Libby!

I remember the time we took you to MEC to get your knee bandaged up,after the deer ran in front of you on your bike.it was a bummer at the time, but you made the best of it, you didn't let it slow you down, and I remember you taking your first step, and loosing your first tooth, getting your drivers liscence, with a stick shift! And I remember you graduating high school! I remember Libby, your first snowball dance..... You were so beautiful. And your first car, you loved it with the sunroof. You grinned from ear to ear.

Libby you will always be close to my heart, I will always hold thes memories and so many more very dear to me.

You will be missed on birthdays, Christmas, the family hayride, and too many times to count . Oh! How you are already missed.

You will always be my Libby! . I know you will be looking over all of us from your view from above.

Thank you for being the great daughter, sister, aunt, grand daughter, and all the things you loved being. You were always YOU!

R I P. Libby (MEW3)

“ To my Godfather Henry,
I am so sorry for the loss of your granddaughter. I can only imagine the pain you and your family (especially Andy, Mary, and Charlotte) must be feeling. We worked together for a short time at Schnucks (albeit in different departments), and I never knew who she was until she told me. She was such a wonderful person and always had a smile on her face. I will be sending extra thoughts and prayers your way. May God watch over all of you and continue to hold you all in his loving arms.##imported-begin##Christina "Chrissy" Bauer##imported-end##
