“ *Maryla was my dearest friend in the 70's and early 80's. Our kids went to the same school. I must share the following with everyone reading this. One day Maryla and I were at Welborn Clinic downtown. She was behind the wheel in her big Thunderbird and preparing to leave the parking lot. Well, instead of putting it in Reverse (to back out), she put it in Drive and that car jumped over the concrete thingy and straddled it! At the time we were so upset and Maryla was totally discombobulated. I don't remember how we got out of that predicament. I think my husband came to our rescue. Reminiscing now it is hilarious! Even funnier than that was when she put that same car (with me inside) in her garage sideways. Ha ha ha! I believe that was the time I had to get my husband to come to Maryla's to get that car turned around and put back in straight. I'll never forget the look on Ed's face and the looks he gave us girls as long as I live!!! OMG! I loved her. And, I will always cherish my memories of her. Vicky Burnett*
