“ *I am so sorry to hear of Tillie passing. I lived down the road from her growing up and I would spend time helping her around her house with whatever chores she needed me to do. But more than anything else, I enjoyed our time together talking at her kitchen table, she always made sure I was well fed for working for her. I have such fond memories of these times and I still think of them today. She paid me fair for a days work, but more than anything she was a wonderful lady with a great big heart. She will definately be missed.##imported-begin##Melissa Stockton (Zint)##imported-end##*
