“ *Audrey and son- I am Matt's mom Sheri's cousin. His grandma Betty was my aunt. Matt attended church at Harvest as a teen - my family did also . My husband and I got to know him as more than a cousin then. I know that he asked Jesus to live in his heart and because of that you have peace to know that you can see Matt again someday. I will always remember Matt as joyful and having an ever present smile. And all of that red hair !! God bless you in this time of grief. I pray that you feel the presence of your loved one and the touch of the Father God every day.*

“ *Matt was a friend of mine. He possessed many remarkable attributes. He was kind, cheerful, positive, and above all he had integrity. He was a man who understood the importance of family. Every time I asked him what his plans were for the weekend, he would always say he was looking forward to spending time with his family. My heart and prayers go out to Audrey and the whole Kavanaugh family. May they find peace in these difficult times.*

“ I never actually met Matt, but talked to him frequently over the phone. He was always so kind and helpful and always seemed so cheerful. I felt such a heaviness in my heart when I heard that he had passed. What a wonderful soul to have made such an impact on me when I never actually met him. The world needs more people like Matt. I know the employees at the Evansville Goodman location will miss him terribly. Prayers for this kind man's family and friends.

“ We work for the same company, and although he was in a different state, I had to interact with Matt frequently. I am so sorry for your loss and wanted to let you know that Matt was always so genuine and kind. The sweetest of guys! I used to tell him he was my favorite person at the branch. He will be missed. I know the love of his son ran so deep. You all will continue to be in my prayers. <3
