“ My heart goes out to the Hayden family. Matt was such a great person. He had so much life in him-you could see it in his beautiful blue eyes. From the day i met Matt one thing never changed-his love for Kerri. They were so young when they married, but they knew their love would last forever. And it will. Their perfect little family was complete when Christian arrived. And he is so adorable. Of course, he is a small version of Matt(his mini-me). He was a great daddy, husband, son & brother. Kerri, Christian, Jeremy & Their parents & family are in our prayers. We have all suffered a great loss. We love you all. RIP Matt-you will be in our hearts forever!###imported-begin##Windy Cooper###imported-end##

“ Dear family & friends of Matthew,  
Words cannot express the pain that we feel for you at this time. So young and so much to live for and now, taken from you. So unfair.

Christian, we hurt the most for you because we have met you and we have a grandson your same age and can't imagine such a loss. We hope you have bottled up lots of memories of your daddy and that you never forget how much he loved you.

Kerri, our heart aches for your loss and for the emptiness you must feel right now. Please keep strong for Christian... you're all he has in this big crazy world and he needs you now, more than you can ever imagine.

Please accept our deepest, heartfelt sympathies and our hope for a future that holds happy memories of the good times you shared, however brief they seem right now.

Sincerely,
