“ *I first met Mattie back in the late 90's or early 2000 when our daughter, Heather had a program on the eastside of town that had to do with her class she was in at USI, as Heather had just started dating Mattie's grandson, Chad Cain. Mattie was such a beautiful lady that is was hard for me to believe she had grandkids as old as she did. She was so very nice and sweet and every time I was around her, she was so gracious and kind. Heather and her grandson, Chad did marry in 2002 and I saw her a couple times after they married and I knew her health was going downhill as she was having heart problems. I know everyone will miss her so, but the fact she is in a better place and out of pain, makes me so happy for her. She is free to run and skip and enjoy herself without pain and that has to be a wonderful feeling. I know her girls, Yvonne and Yvette will miss her but she's in such a better place. My condolences go out to her family.*

“ Aunt Dee, we love you and will miss you. We know you are hand in hand with Jesus and are looking after us. Mom loved you dearly and got great enjoyment from your conversations in recent years. She always speaks of you in such loving terms and I know you will live forever in her heart. No doubt from her apartment in Greensboro she is talking to you right now. I am certain you will help me keep her together now. The distance and Mom and Dads health will keep us from the funeral but our hearts are there. With love from NC. Maureen, Willie, Greg, Kathy, Peter , and Nicole.

“ My great aunt Maddie was always kind and loving. But honest and amazingly funny. She was so close to my grandmother and through that I had the pleasure of knowing this beautiful woman. I send my love and prayers to her family.

“ I have always felt a kinship to Mattie, loved her like she was a family member. She was one of the sweetest ladies I have ever known. She was always a lady, no matter where you saw her or what she was doing. My mother and others have told me I was a Mama's baby and didn't want others to hold me . Mattie took pleasure in telling me that she loved to hold me and play with me when I was a baby, when others couldn't. Maybe that is when our friendship began and it lasted til death. Mattie Dee (Deedum) will always be remembered by me, as one of the kindest, most caring, loving, sweet, pretty Christian ladies I have ever known.
