“ *Sending heartfelt condolences to the entire family of Mike. He was my maintenance man at BMS. He is the second great man from Bristol Myers that named his daughter, Natalie. Mike always had a smile on his face when he came in to work on our machines. He loved his job, but most importantly, he loved his family. May God comfort and strengthen you all during this difficult time. RIH dear friend.*

“ I remember Mike and his siblings all playing outside in the street. We would play under the street light. Sports and just enjoying the outside and I draw a circle were some of the things we would do. We would hide until someone called us in or found us. That was a made up game called I draw a circle. I miss those times and I am surely going to miss Mike. Prayers and my condolences to his family. Stan Blazier
