“ Mike was our HVAC guy over many years at two different homes. We had a great working relationship with him because he was smart, honest and did good work at a competitive price. We also probably talked to your mom on the phone a number of times. We’re really sorry for your double loss inside of one year.  
Love and prayers, Jim and Elaine Landmark

“ *During my years as an owner at Rally's Hamburgers, I got to know Mike very well. He was an honest person who performed great work on HVAC. Mike and his team were so good that they learned how to work on some of my cooking equipment. Schweitzer HVAC also traveled to many of my locations out of town. He was a good friend. Gail was a wonderful person. They were an awesome couple. I hope they are now holding hands again. RIP Mike and Gail.*
