He was a fun-loving, kind, generous man; he enjoyed nature, hunting, and paint ball games in the woods behind his home. He loved his three grandchildren dearly. They were the light of his life.

Mike received his first lung transplant in 2009, then a double lung transplant 12 years ago. He and his wife Christa helped found and were very active in the tristate transplant support group and the local Pulmonary Fibrosis Partners group helping to bring awareness to Pulmonary Fibrosis and Lung Transplant.

We are so blessed to have spent such sweet times of worship & fellowship with you both before we moved to Cincinnati. “ My heart and prayers are with you and your entire family. I understand your pain all too well. You know the Lord is with you, but for now rest in His arms. He understands. May His peace encourage you in the days and months ahead, and may God's assurance be a reminder that this isn't a goodbye, but a goodnight until you meet again in eternity. I never got a chance to know Mike, but I could always see him coming in his Tam. For some reason it always made me smile. I will continue to pray for comfort and peace. In Christ's love, Connie, Vineyard sister.

“ To the Michael Shore family: you don't know me, but through the request of a mutual friend, I have been praying for Mike and family for several weeks. May God now grant Mike the rest and peace he so deserves in his new forever home, and May God bless all who are left to mourn his passing with peace, understanding, and comfort. May your faith carry you through this difficult time as you wait in hope for that joyful reunion someday.
