“ *Meody and Donna,*

*I had a feeling that the end was near when I saw the two of you at the nursing home on Sunday. I live just down the street from St. John's on Caborn and I have vivid memmories of Mildred and Carl at St. John's as we attended for about 18 months around 1999-2000. My heart goes out to the both of you and your families.*
