“ *I just found out that Mona had passed away and I am very saddened by this news. She was a very caring person. I enjoyed going to the national bowling tournament with her the last 10 years. It was not the same this past year when she could not make it. I vow to carry on her love of bowling. You will be missed greatly. “ I hate to say goodbye to one of the best friends I have ever had. We have been friends for over 40 years and I will miss her terribly. To Earl, Stan and all the family, I wish to express my sincerest sympathy. I loved her so much and I am hurting for her, but I know she is out of the pain she has endured for so many months. God will take care of her.

Much Love,
