“ I had the privilege of cutting Monica’s hair every 5 or 6 weeks for the past few years. We would talk about all sorts of things and I always looked forward to seeing her. She was a very caring person with a lot of style and a great sense of humor. She spoke to me a lot about her family and her grandson that she would spend a lot of time with. I was extremely shocked and so very sad to receive the news that she had passed away! I will miss her and I will always remember her with a smile...my heart goes out to your family as you try to cope & heal from her sudden loss.

With deepest sympathy,

“ *I worked at Ameritech and that's where I first met Monica. I didn't know her well, but I instantly loved her! She was so friendly and vivacious! She was a good lady with a good heart. I haven't seen her since I retired, but the news of her passing saddened me. Please accept my heartfelt sympathies to all. Beautiful photo of her, just like I remember her. God bless*
