“ *Nancy asked me if I would drive her car and go to Precept Ministries. She was full of information, teaching me something all along the way about how to use cruise control the way she did it. To highways- knowing when it was North or South and East and West. When a road was going to end because of the Yellow on the sign. Her photographic memory. She was an amazing woman of faith and I'm glad to have been apart of her journey here on earth. And I look forward to see her rollerblade in Heaven! Sheree Paulson*

“ My heartfelt condolences to Nancy's earthly family. I am very happy knowing that she is walking unaided with Jesus and that she is free from pain and earthly troubles. I haven't seen her in many years but she made a great, positive impression in the time I knew her. Of anyone I have known, she has earned the right to be in heaven.

Dave, prayers to you and your family. I recognized her as soon as I saw her picture. She always had a smile on her face. Thoughts are with you.

Having Nancy as a great-grandma was awesome all the Christian knowledge she dropped on me was crazy, but I think one of the best memories I have of her is when she would take me for rides on her scooter
