“ My mom, Hilda Holsapple worked with Nancy at Lamasco Bank. Used to see her there when I came to see my mom. Nancy was always so nice. Always cheerful and joking around. RIP Nancy❤️

“ I will truly miss my second Aunt Nancy. She was a straight shooter who always made me smile and was such an important part of our family for so long. I am forever grateful for all she's done for us and for being the supporting loving person that she was.

“ I knew Nancy through worshipping with her at the early service at Christian Fellowship Church. Although I didn't get to spend much time with her, I felt a special connection with her and loved her very much. Nancy was (and still is) such a warm and gracious person, and she has blessed and enriched my life. I wish I had known her more, but I look forward to seeing her in heaven. I send my condolences to the family and pray for much grace, peace, and comfort for you all. Judy Niednagel

“ *My friendship with Nancy began well over 50 years ago when I worked with her sister, Margaret. We started a bowling team which featured all the Barnett sisters and myself. Over the years, my sister, Rosie, became involved with our group and suddenly the Barnett's and Neale's had new family members. We always welcomed and enjoyed Nancy at our family gatherings, and Rosie and I were made to feel at home at the Barnett's, including visits to their Kentucky relatives. Nancy always had a friendly smile, professed a strong faith, and was just a great person to be around. She liked to tease and joke, and she always had a healthy laugh. I will miss her tremendously. We will all miss her!*
