“ *Mom was a very loving and understanding person. I worked with Carolina for 17 years and moms call was right on time every night. I'm so glad my late boyfriend started cutting there grass for them and I went with him and really got to know her in person. Mom/Nene will be missed by everyone she came in contact with because that was the type of person she was. Carolina, Ingrid, well the whole family I love you all very much. Michelle*
