

## Nancy Lee Spisich

January 2, 1955 - March 29, 2023

The family of Nancy Lee (Strange) Spisich deeply regrets to share the news of her passing on March 29, 2023 at the age of 68. Nancy was born in 1955 to parents Guy and Juanita Strange of Freelandville, IN. She attended North Knox High School where she graduated in 1973. She was a 22-year employee of Bristol-Meyers Squibb where she was widely known and loved by her colleagues. Nancy often said that she was very fortunate to work with the finest people she'd ever met. The Bristol-Meyers Squibb family will long remember Nancy and hold a place in their hearts for her.

Nancy enjoyed spending time with family and the outdoors, especially Harmony State Park. One of the most remarkable things about Nancy was her cheerful attitude towards life. Even while she struggled with her health in later years, she always managed a smile for family, friends, and people she'd just met. She liked to say she has never met a stranger. She also shared a special bond with her grandchildren and loved spoiling them each holiday. Nancy was committed to and supported the good work of St. Jude's Children's Hospital and the Humane Society. She dearly loved her cats, and many a stray found a place in her home. She cared for as many as three at a time, including Chelsea, Keisha, Daisy, Callie, Kelsey, and Wylie.

Nancy is survived by her life partner of 36 years, Mark Frankenberger, her son Matt (Meg) Spisich of Chicago, IL, and granddaughters Maeve and Lily,

Marks's daughter Danielle (Zach) Tucker of Richland, IN, and grandchildren Bailee and Bennett. Also surviving are sisters, Marilyn Schroeder of Vincennes, IN, Patricia (Mike) Stoltz of Freelandville, IN, brothers, Guy (Martha) Strange of Shreveport, LA, and James (Margaret) Strange of Freelandville, sister-in-law Wilma Strange, also of Freelandville, and many nieces and nephews. Nancy was preceded in death by her parents, sisters Madonna Moreland and Beverly Jean Strange, and brother Robert Strange.

A private family gathering will be held on March 31, 2023. Nancy asked that in lieu of flowers donations be made to the National Multiple Sclerosis Society. A celebration of the life of Nancy Spisich will be held at a later date. She is deeply missed.

“ I was going through the Freelandville Centennial book from 1966 and found these pictures I thought you might enjoy.

“ Nancy and I were classmates all the way from 1st grade through high-school. I have a lot of fond memories going over to her house to spend the night when we were young. Though we didn't maintain much contact after high school, I still knew of Nancy's life and family and kept up with her on Facebook. Like others have said, she was the sweetest person you could want to know. May she now rest in peace and be dancing with the angels. ☐

“ Nancy was such a positive force to be around; she accepted her diagnosis with such grace, and not once did I hear her complain. She continued to live her best life and received so much joy from her love of family, friends and her precious granddaughters that she just adored! She is the first of my "work buddies" to pass, and it's hard to say goodbye, but heaven will be a little brighter with her in it and I'm thankful to have had her as a friend.
