Footprints in the Sand

*One night a man had a dream.
He dreamt he was walking with the Lord.
Across the sky flashed scenes of his life.
For each scene, he noticed two sets of
footprints in the sand; one belonged to him,
and the other to the Lord.*

*When the last scene of his life flashed before him,
he looked back at the footprints in the sand.
He noticed that many times along the path of his life there
was only one set of footprints. He also noticed that it had
happened at the very lowest and saddest times in his life.
This really bothered the man and he questioned the Lord about it.*

*"Lord, you said that once I decided to follow you,
you'd walk with me all the way. But I have noticed that during
the most troublesome times in my life,
there is only one set of footprints. I don't understand why,
when I needed you most, you would leave me."*

*The Lord replied,
"My precious child, I love you and I would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*

“ Janet, Gayle, and Chris - We are so deeply saddened by Norbert's passing. Our thoughts and prayers are with you all! When I think of Norbert it is of his big smile and laugh, as he was cracking a joke. There are so many fond memories of him and times shared. May all the warm memories you have comfort you now and always. I know that big smile of his is shining down from above.

*Love you all,
