“ *Opal moved across the hall at WR AL and was also my table mate. We had a few conversations during her living close to me. She even stopped by my room one day after lunch to tell me about what I missed when I left the table early!! In February, my daughter joined us at the table for dinner and enjoyed getting acquainted with Opal. We extend our sympathy to Opal's family upon her sudden passing into eternal peace with our Lord and Savior.*

“ *I did not have the privilege of knowing Mrs. Schroeder but she must have been a terrific mother (and grandmother) to have raised the quality children she did.*
