“ Please accept my deepest sympathies on the passing of Orville. Orville and I lost touch as we got busy living life once we retired from the apprenticeship school. He taught me that no matter what happened in my life I could remain happy and dignified. I will not forget the many stories about his early life in Chicago and his family. He could make me laugh on my worst days. I wish you all strength for today and hope for tomorrow.

“ I am so sorry to hear that Orville passed. I hope he had not been ill. He was such a good man to my parents. I hope he and dad have connected in heaven.
