“ Dear Randy,

I'm hoping that you and Kerry might remember me. We played on St. Boniface's basketball team together many, many years ago.

I just wanted to express my sincerest condolences on the loss of your father. In grade school days, on occasion I would have the opportunity to speak with your dad about our basketball team. He was always very nice to me and I appreciated that. Little did I know that he was a WWII veteren with two bronze stars! I'm sure your entire family is very proud, not only because of his WWII decorations, but also because he was a very good man; and I've come to learn there's nothing more important than that in this life.

Again, my sincerest condolences to you, Kerry, and your entire family.##imported-begin##David Townsend##imported-end##
