“ To the family of Pam Cook, Mother, Helen, sisters, Connie, Donna & Mary, I knew that Pam was having health issues, because after many years, we had connected again. We had many phone conversations in the last cpl of years, reliving the "old days". I have so many fond memories of Pam, as well as all of you. I am so saddened by your/my loss. Pam will always remain in my memory as a classmate & more importantly a lifelong friend. In my mind, a friend like Pam, that I only saw a few times in over 40 yrs, is someone that I can pick up the phone and talk too, and we both get it. Often she would time our conversations, Sara, she would say, we have been on the phone for 1 hr and 47 minutes, or some time allotment like that. I will surely miss her and love her.
