“ Terri,
I just found out that your mom passed away & I am truly sorry for your loss. Patti was a great lady & Nick always thought the world of her. I was literally in awe of her accounting & tax preparation skills when she first did my taxes for me..I was very impressed by her complete lack of Fear when it came to the IRS, lol. (She got me the best tax return of my entire life!) Such a sweet Lady...I hope life is treating you well & if you should ever want to reach out, I'd dearly luv to hear from you.

*Sincerely and with my deepest condolences,
Lisa Grayson*
