“ *To Patty's family:*

I am so sad to read about Patty's death and to realize that she has been ill for awhile. She was always so gracious and loving when we would meet, and I always felt special in her eyes. The world will weep with you as Patty made the world a better place for having been here. May God keep all of you in his loving care as you cope with the sadness.##imported-begin##Nancy (Owens)
