“ *We are very sorry to hear about your loss. Bob was very good to our family when Dan was laid off from work a lot and helped us out with giving Dan extra work at Dogtown Boat Ramp. It really meant a lot to us. Our prayers are with you.*

“ Vicki and Family,
Please accept my deep and sincere condolences on Paul's passing. I knew Paul since I was a pledge in Beta Chi Chapter of Tau Kappa Epsilon Fraternity at SIU in 1949. Along with brother Jim, he was a man I respected and who demonstrated the finest attributes in a fraternity brother.##imported-begin##Ted Bookhout##imported-end##

“ *I truly sorry that I was unable to attend the service for Paul. I knew Paul all my life because he was our next door neighbor my entire life. He always had a smile on his face and a warm greeting even when you weren't feeling the best. He was never too busy to help someone. He always took care of our dog when we went on vacation and he seemed overjoyed to do it. He loved his golf and I remember that he was always going to or coming back from playing. He and his wife, Vicki, always made us feel a little more than neighbors. I will personally miss him and his warm smile when I come home and visit.##imported-begin##Dustin DeHaven##imported-end##*

“ *For Paul's family, I offer my most sincere sympathy for the loss of you loved one. Paul was a High School friend of mine, and I'll miss him, now knowing that I can't ever see him again in this life. I visited him on Saturday 2/24/07, and he seemed better than I expected, so thought that he had more time to live. His quick death shocked me. Paul was a good man, a good friend, and a good family man.##imported-begin##William R. Wolf##imported-end##*
