“ *So sorry to hear that Paul passed. My thoughts and prayers are with you. Paul always seemed to be so happy when we were young. I have great memories of playing in the back yard and alley. A blade of grass didn't dare grow there.*

“ Paul was always making you laugh & he liked seeing his nieces & nephews. I remember playing washers & cards with him & him asking for a hug when we would leave. Love you Paul. You will be missed but we will have the memories which are to many to write.
