“ I was deeply saddened to hear of the passing of my childhood neighbor, a man who was so much more than a neighbor to our family. Growing up, he taught me how to ride a bike, helped build bookshelves in our home, and shared countless acts of kindness that made a lasting impact on my life. His family became an extension of our own, and the memories we created together will always be cherished.

He was a truly good, God-loving man whose generosity, warmth, and quiet strength touched everyone who knew him. His life was a beautiful example of faith in action, and his legacy will live on through the many lives he influenced with his kindness.

He will always be remembered with love, gratitude, and respect. My heartfelt condolences and prayers are with his family during this difficult time. May his memory be a blessing, and may he rest in God's eternal peace. Nan Chatterjee & family
