“ My Father used to work with paul at GE .Just 4 weeks ago paul, and a friend of his came into my life. We drank some beer at a friends house on his porch having a grand time paul told me what my dad ment to him while he was a young man working at GE .He told me he loved my father because my dad (Toney Thomas SR) would show him the ropes lol. When i was a child my dad would talk about his friend Paul Gebhardt and I never thought much of it Till I met him. Paul was one of the most open honest people I ever met. No wonder my dad like the guy so much.We even shed a tear talking about my dad and paul truly ment all the kind word he said about my father.Paul was a good man cared about his kidds and loved nature. In the short time i knew Paul i have a real good feeling about him and i know he is going to be in heaven when i get there and he dad and my self can have a very indepth conversation about the worries they both had .Now Paul my friend ALL your worries are gone and we shall talk again .
