You and your family are in my thoughts and prayers. I know how hard this is for you but please remember that she is only out of sight, she will be in your hearts forever. Like a ship that sails over the horizon you cannot see it anymore but it is right there just waiting for you.##imported-begin##Ginnie Goodwin##imported-end##

“ Tena

My thoughts are with you today in your time of loss. I know you've tried to prepare yourself as much as possible, but it's never enough. I'm recalling some of the stories you shared with me about your mom, and thinking how much like my own mom she sounded - funloving yet sincere, tough yet full of compassion, and fighting the good fight to the very end. The kind of woman that I fondly think of as "good old gals" There are no better ones.

Please accept my deepest sympathy.##imported-begin##Mike Combs##imported-end##

“ Mom, I am sorry I can't be there, but I know you understand. I am so happy we had time together. I thank God for bringing you into my life, you taught me so much and showed me what true unconditional love is. Don't get me wrong, we had our moments but came through them with a bigger love. We all have an angel watching over us and you will always be us, of this I am sure. Please don't give God too much of a hard time, ok?? LOL

I love you with all my heart.
