“ I knew Peggy very well and back in the 1980s and I knew her daughter Tammy very well. We were best friends Tammy and I and I would like to reach her sons or her brothers to talk to them about the experiences and I had on a positive level that a lot of people may not know about. Please contact me at my email. Mic477@gmail.com it is April 2025 now and I am 71 years old and I would like to talk to some relatives of Tammy before I pass.
