“ Was there anyone on this earth who did not like Penny? No. She knew how to rotate within the earth and around the perimeter, always being a lady with a smile and a quiet open heart. She testified to the provenance of love and acceptance, without leaving out the stanza of laughter. Unknown precision and wit, she didn't realize the impact she made on so many lives; she left clues for growth to all she loved. Look back for memories to cherish and I look back to being one of the friends who encouraged her to attend our 50th class reunion. "Sure it's all morbid, be there with us to witness the visual and verbal composition." And, she did. My memories are talking with her at length as the paramedics left the family home with Jerry and we picked up with realities of life, then, on September 22 of 2017, she played the no limitations of life-affirming activities with me, and with Gloria. I thank her for that fun! We each choose our best memories as she is now physically departed, yet never separated. Bonds. Bestowed. Her life a conglomeration, yet in her human kindness, she has left her children and those who loved her a palpable interaction for a harmonious reality. She will always be with us.

“ Penny to your family...we will miss your mom. I pray for comfort and peace today and those that follow. Her tribute tells a beautiful story of her life and her greatest joy, her children grandchildren and all those who were able to spend time with her, including her sisters. You were so blessed and continue to be with the best of fun and very loving memories. We loved your mother; a great person, great mother and grandmother. We were so excited when you visited my parents years ago in South Texas and South Padre Island. We love you Penny and will miss you. God Bless You. Love Janet K. Santa Ana , (daughter to Bettye Theuerkauf Santa Ana and Al Santa Ana - In Heaven).

“ *Our sincere sympathy at the loss of Penny. We had a special little friendship on Facebook sharing our Grandkids and our love of Animals. Funny, that they are in the same category, but she loved her Grandchildren and her "fur-babies." Sending prayers of comfort.*
