“ Phillip & I are first cousins. My fondest memories together are when they lived on Southeastern Avenue in Indianapolis. My aunt Margaret took care iof me during the summer since my mother, her sister, Jessie Marie, worked for their uncle at CP Lesh Paper, downtown Indianapolis . Find memories. We were typical kids, Phillip being the youngest of three boys. They were all like brothers to me during that time of my life.
Phillip & I have always had a special bond as cousins. I can't explain it, it was just there. I will miss you Phillip but I know you are with loved ones & of that I am somewhat envious! Tell them all that I will be there & that I miss them too.
