“ *I was SO sad to see, in tonight's newspaper, that Phyllis passed away!! She was such a good neighbor to me; here in Jasper, on 44th Street. She was always very kind and thoughtful! She shared her extra peaches with me last Summer, and even gave me a jar of peach jelly she made! I have missed her so much when she moved to Evansville! She was a special lady! I'm so sorry for your loss! Much love, Caroline Cox*

“ *I worked with Phyllis for several years in the ER at Warrick Hospital. She was my mentor in the nursing profession. She was my cheerleader, my shoulder to cry on, my dear friend. My heart ached for her when Larry died. My heart rejoices now that she is heaven with him. May you cherish all our memories of her as I do. She was a wonderful woman. Love Ginny Frease-Edwards*

Phyllis and I knew each other from first grade. We were good friends. I had lunch with her on Nov. 16 and we made plans to meet again after the holidays. I will miss her.
