“ *One day I asked Papaw Ralph if I could paint his fingernails, but after asking him his reply was "No, I ain't no sissy." I begged him but he wouldn't let me.*

*And the time I introduced my friend to him and he replied "I did not know you had any friends."*

*Or the time he was laying in the hospital bed and i stuck my tongue out at him and he stuck his back out at me and we laughed about it.*

*That was the first time he had smiled at me after being in the hospital. I will sure miss him a lot :( but it will all be okay <3, knowing he is in a safe place. No longer suffering with so much pain.*
