“ *Rosie and Kathy, I didn't know about the passing of your mother last year until I saw it on this website. My sincere sympathy to you all. I still remember the days we all had together when we were young and at times still think of John. It's been a long time but still remember and my prayers are will all of you.##imported-begin##Bob Helmer##imported-end##*

“ *Rosie I wish you my sympathy toward your mother, and children grandmother, time will pass and you will be able to cherish all those memories you had with her all though the final days, without outside intervention of neighbors in your way of private time with your mom/grandmother isn't that nice. May you have peace be with you and your family through your journey of life, and think of the lives you have affected/touched in your life. The question is will there be peace in Eternity????##imported-begin##MIKE ROY##imported-end##*
