“ I can't express how sad I am to learn of the passing of my cousin Randy. When we were kids, we were all very close....lots of memories of Christmas caroling around my neighborhood every Christmas eve...and a lot of summer fun! My deepest sympathies go out to Uncle Tommy, Tim, Karen and Kathleen...know that you all will be covered in prayer in the days and weeks to come. I pray you feel the arms of Jesus wrapping around you and find comfort in our Lord and Savior, Jesus Christ! Much Love, Tami###imported-begin##Tami Snyder Cooper###imported-end##

“ *Mr. Dick was the best teach I ever had. In two years of classes with him I never once saw him come to class as if it were work. Every single lecture, even when sick, was an opportunity in his mind.*

*He enjoyed teaching and thrived when his students succeeded. He cared about subject matter, but always hid life lessons throughout his courses that were just as important.*

*Physics (I and II) with Mr. Dick are why I chose to get a second degree in engineering and I could not be where I am in the world today if it were not for his teaching.##imported-begin##Kyle Neisen##imported-end##*

“ *Dear Tim, Karen, and family,  
So sorry to hear about Randy's death. I was in town on Sunday and Father Nunning told me at mass at Sacred Heart. Losing a sibling is a reminder to tell those who are special in our lives that they meant so much to us. Your family has been important in my life journey. I thank God for making you part of my journey. I am better for having known you.*

*Love and prayers,*
