“ *Randall you will be missed, I remember watching our soaps on a little black and white tv (3inch screen in between the plates) at Sportsmans during lunch because he wouldn't miss an episode, rip good friend*

“ *There are so, so many memories with Randall I have over the years. I don't even know where to begin. He was the kind of person who'd give you the shirt off his back, and help out however he could. We had a lot of fun working together at Weinzapfel's all those years, he was quite a character! Even though it's been a while since we talked, I've thought about him often, and can't believe he's gone. I will miss him.*
