“ Ray was is brother, my best friend and my Saving Grace. He was always there when I needed him. Without hesitation. Without questions. The long talks we had helped me out so much in my crazy life. He is the best brother I could ever ask for. I just hope everyone can experience the love and bond of a sibling that I have with Ray.

He loved his family and he loved life. His bond with his daughter is unbreakable and words can not explain the love they share. Ray and Cindy are not only husband and wife but best friends and I could never see Ray complete without her.

Ray was an extraordinary person and friend to everyone. He was raised in a loving, respectful and godly household and that's the way he lived his life.

Ray was taken from us way too soon and I just hope he knows how much he is LOVED and respected. He will live forever in all our hearts and never be forgotten.

I Love you to Heaven and back Ray and know that we will take care of each other the way you took care of us.

REST IN PEACE BROTHER !!
