“ I worked with Reed and Julia, they were absolutely the perfect couple.

I remember seeing them giggling together and just being so happy, years ago, at Panera Bread.

Never had a single problem with Reed, always respectful, always kind.

A true loss :(

“ Reed worked in Security for me briefly but I knew him personally for only a short time. He got along well with my whole team and we were sorry to see him move on to another job I have known his Dad for a long time and think very highly of the family. I have been praying about this situation since Wade let us know about his medical issues. I am so sorry for your loss. My deepest condolences to the whole family.
