“ Will miss you so much uncle Richard. Thank you for being such a great person to me and always looking out for me even when you didn't have to. You always worked yourself too much and never took a break cause you wanted to make sure that everyone else was taken care of before yourself. You're such a great guy and I love you very much. So grateful to have called you my Uncle.

“ Richard was like an uncle to me I have known him ever since I was little, he was such a hard-working and funny man, what are used to column cheeseburger because that's what he likes to eat all the time, and every time he would go out to my moms house he would ask for a fudge round, he was a very very close friend and family to us. He was taken way too soon. He will truly be missed and we love you
