To my beautiful Aunt Maxine and cousin Brian, my heart and prayers are going out to you now and especially tomorrow during his celebration of life. How I wanted to be there for you, but my heart and prayers will be with you today, tomorrow, and always. You were both always so sweet, caring, and funny. Uncle Richard was such a kind giving man and did so much for us and my sweet momma. I loved going to your home and eating all those wonderful country dinners with all the fresh veggies from his garden, going in the basement and sitting by the wood burning stove that he worked so hard to cut the wood ahead of time. I had so much fun there listening to you play the piano and all of us singing. Of course Uncle Richard would just sit back in his chair and take all our giggling in. I remember the first time I learned to ride a horse there and get bucked off! LOL Such beautiful and fun memories that will be in my heart forever. Love you so much sweet Aunti and Bryan and may the God of peace that surpasses all understanding guard your hearts through Christ Jesus our Lord. Love you, Vickie & family

“ To my Aunt Maxine Fawcett!! I love you more than you know and I loved that man just as much!! He was always our heroe when we were young and would come out there for safety or just a good visit. I'll always remember how I always got a coat & boots every winter or so, just because I was the baby of 5 girls. Much older than me, I couldn't wear their hand me downs. I loved all of the 4 wheel rides, our fire and the nights I made Chili living that traor out back!! What great me.ories I have of the two of you always!! God knew you were one, in the eyes of God and in the eyes of man...there are so Many memories. Like the hirses you had your friends bring when we had that Big Thanksgiving at your house one year!! I still have those pictures!! I've loved you all my days, and I always felt safe with you two!! Being out on that farm was some of the greatest memories of my life!! I used to love snapping beans, sitting on the back porch and shucking corn with Mrs. Fawcett. Or the experience Mrs. Fawcett had with the old Wringer Washer!! Lol Boy the memories I am having at this moment, as the tears fall from my eyes...I loved him like a dad and he taught me so much as a child and as an adult. I wouldn't trade one second of the moments with you both. I'm so sorry Aunt Maxine!!! But I know that The Good Lord has you right in the palm of His hand, and Nothing can pluck you up from it. You are in our prayers and if you need anything at all, please do not hesitate to ask!!!! We love you dearly and will see you Monday. I love you Uncle Richard and I love you Aunt Maxine. May God bring peace lime a river to you and the comfort only He can give.
