“ *Dear Molly,
I have not seen you in a long time but will always remember the times we worked together and the few times we were at your house and met your Rick. I am so sorry for your loss but Rick is now in heaven with my Jim. Time will certainly help to ease some of your sorrows as I have been through it. Give my love to the girls and keeping you in my prayers.*

“ Molly, Amy and family,
I am truly sorry and heartbroken for you. I just wish the ending of his pain wouldn't have started yours. I pray that very soon memories bring smiles and laughter instead of tears.
With love and prayers, The Sparrow Family

“ My deepest sympathy to all the Weber family. Rick and I grew up together as our parents were friends at Parker Settlement and many clabber games we watched. We always bought our equipment at Weber Equipment later in life. His smile will be missed.

“ Rick and Molly were always such a great influence on me and my development in soccer. Knowing Emily and Amy was such an honor and I feel for this family in the loss of such a great man! God has called him home and to make him whole again. No more suffering and the promise of salvation for Rick. Heaven just got a new angel!
