“ I knew Bob my whole life-I didn't know for years that his real name wasn't Fat Boy because that's all my dad (Gene Weinzapfel) ever called him! Anytime Dad or any of us kids needed help with a job Bob was there. He finished the basement walls when my husband and I built our house, and it was hotter than Blue Blazes that summer. He was a great guy, and I'm sad he's gone! My sympathies to the whole Alldredge family. If there were any way I could be there for his services I would be there. My thoughts and prayers are with you all.
