“ *I worked in the Engineering Department with Bob at the phone company many years ago. I remember him as being just a really nice guy and always happy and pleasant to talk to. I'm really sorry for your loss.*

“ *I was so sorry to hear about your Dad. Pete and I tried to visit him a few times when Pete was there also. He was always happy to see us. When Pete was there this last time we could not go in because of COVID. He had a good long life and I am sure he is glad to be with your Mom again. Our deepest condolences to all the family.*

“ Before the pandemic shut down outsiders from coming into Solarbron, I was a contracted massage therapist who came to the Terrace twice a month. Your dad was among my favorite clients there. What a sweetheart! You were blessed to have such a wonderful parent -- and he was blessed to have such a devoted family. I met Gary many times when I was at Solarbron, plus I saw evidence of how much Bob's other family members looked after Bob too. His room always looked like such a happy place, with decorations appropriate to the season and all the family pictures attesting to the love he shared with you all. I know he missed your mom, and I'm glad he is now with her once again. May you all rejoice in his happiness, although I'm sure you will feel his loss until you, too, are with him again....Caroline Nellis
