“ *On behalf of all my siblings and myself, we will all remember those Sundays at the Knotty Pine Cafe and Helen's Restaurant. He was brave enough to take 7 children into a little diner every Sunday and actually be complimented on how well-behaved we were (either a stern hand or a weekly miracle, not doubt). I used to tell people how handsome my Daddy was. My memories at Dad and Aggie's are wonderful memories. The roast beef meal will always be a great memory of mine. Once, Aggie made chili in a slow cooker for that evening's meal. Bruce and I ate it all before they got home. After getting over the shock, Dad and Aggie just laughed about it. I miss them both. I'm sure our Father in Heaven has worked out a glorious reunion for them along with our mother who went to be with Jesus a few years back.##imported-begin##Debbie Niemeier Emberton##imported-end##*

“ I wish I could be there with you all through this sad time. I have so many wonderful memories of my grandpa, I remember riding a big tractor... Yes in reality it was a small riding lawn mower but to a kid for the first time it was a tractor. I thought it was the best thing ever and he knew it because we talked and talked the whole time. He smiled, laughed and chatted told me all about the trees and garden and vines growing as we passed and told stories about my mom when she was a kid. That was my first visit to Evansville. Blessing and prayers to my family. I love you all and wish I could be there, I hold all your hands today in my heart.##imported-begin##Maleaha (Gridley) Adams##imported-end##
